PROGRAM REQUIREMENTS (39 credits)

Our program will allow you to earn your master's degree and professional endorsement. Track 2 is for those without a Virginia teaching license. Most of our master's students enroll part-time and complete the program in three years. As a student without a Virginia teaching license, you will have a few more steps to complete the program than a licensed teacher. The order in which you take your courses will vary.

FAQ

What job opportunities are available after graduation?

Graduates are prepared to be certified school librarians in elementary, middle, and high school and are eligible for endorsement in Library Media PreK-12 by the Virginia Department of Education. Each public school in Virginia is required to have a certified school librarian, so job prospects are good in Virginia.

Do you accept transfer credits?

Longwood policy allows consideration of up to six credit hours of equivalent graduate coursework completed, with a grade of B or better, within the past five years. Students can indicate classes they would like considered for transfer when they complete their application.

What will my class schedule be like?

Classes are hybrid and most meet 3-5 Saturdays per semester, in person. Saturday classes meet from 9am-4pm. Faculty coordinate so that those taking multiple classes do not have meeting conflicts. Full-time students often take 2-3 classes per semester while those who also work typically take 1-2.
